Landscape Deadline Extension Request Information

The "original" landscape completion due date: (month/day/year) _____

Detailed explanation for requesting a Landscape Deadline Extension: (Identify complete/incomplete areas of landscape)

Extension date requested: (month/day/year) _____

Landscape Deadline Extension Request Check List:

- I have a landscape plan approved by Daybreak's Design Review Committee.
- I have submitted current pictures of my property with this application.

As homeowner, I understand that once the above request is reviewed and an extension is granted, It is my responsibility to complete all landscaping, as well as contact the Association office to request an inspection before the given date. If I fail to do so, fines may be retro actively assessed on my account from the original landscape completion date.
